FRIENDS OF THE VIENNA TOWN GREEN

Enjoying a morning concert

The **Friends of the Vienna Town Green** was established to support free concerts and performances at the Town Green. From the spring through the fall, the Town Green hosts concerts and performances for all ages and tastes. In 2008 alone, we hope to bring over 50 different performances showcasing a wide range of musical and entertainment styles.

The **Friends of the Vienna Town Green** are committed to support, assist and promote the Town Green by...

- Raising 100% of the cost to fund the concerts and entertainment through annual membership fees, corporate and community sponsors and other donations.
- Offering a membership program that not only assists with fundraising but also encourages community involvement in the free events held at the Town Green.
- Fostering a volunteer organization that reaches out to our community to raise awareness in support of the Town Green and its efforts to bring free programs to our community.
- Assisting with the management of the programs including serving as hosts for individual performances.
